La *Revista Europea de Estudios Latinoamericanos y del Caribe* incluye artículos dentro de los campos de las ciencias sociales (antropología, arqueología, demografía, ecología, economía, geografía, ciencias políticas, sociología) e historia. Se da preferencia a artículos concisos que contengan investigación empírica substancial y/o que presenten innovaciones teóricas con respecto a debates importantes en estos varios campos o a problemas de interpretación histórica.

Las ideas expresadas en los artículos por los autores respectivos no reflejan necesariamente el punto de vista de la Revista, su consejo editorial o las instituciones que lo publican.

Para los lineamientos editoriales para autores, referirse a la sección final.

The *European Review of Latin American and Caribbean Studies* includes articles within the fields of the social sciences (anthropology, archaeology, demography, ecology, economy, geography, political science, sociology) and history. Preference is given to concise articles that reflect substantial empirical research and/or that are theoretically innovative with respect to major debates within these various fields or to problems of historical interpretation.

The ideas expressed by the respective authors in the articles do not necessarily represent the viewpoint of the Review, its editorial board or the institutions that publish it.

For the editorial guidelines for authors, see the section in the back.
